Application No.: 10/806,721
Filing Date: March 22, 2004
Attorney Docket No.: CISCO-3507COA

DECISION ON PETITION
UNDER 37 CFR 1.137(B)

This is a decision on the petition under 37 CFR 1.137(b), filed October 3, 2006, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to submit the issue fee and publication fee in a timely manner in reply to the Notice of Allowance mailed June 30, 2006, which set a statutory period for reply of three (3) months. Accordingly, by operation of law, the above-identified application became abandoned on October 1, 2006.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of payment of the issue fee and publication fee; (2) the petition fee; and (3) the required statement of unintentional delay have been received. Accordingly, the payment of the issue fee and publication fee is accepted as having been unintentionally delayed.

With further regard to the statement in the petition that "the entire delay from the date of receipt of the Notice of Allowance to the filing of the instant petition was unintentional", this statement is interpreted as a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. If this is an incorrect interpretation in view of the rules, petitioner is required to provide a statement to that effect.

This application is being referred to the Office of Publications.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3303.
